

EduLastic

HOME LOGIN GUIDE

Access EduLastic anywhere, anytime

DEAR FAMILIES,

Your student uses EduLastic to access digital assignments. While working from home, students can continue to access EduLastic as long as they have an internet connection. Here are the instructions for logging into EduLastic from home.

Log in:

- 1 Students go to <https://app.edulastic.com> or your district page:
- 2 Enter your username and password:
Username hint:
Password hint:

Resources:

EduLastic can be accessed from any device that has a display that is wider than 1024px. Tablets, laptops, and desktops are optimal. Smart phones and mini tablets are generally too small to be compatible with EduLastic assignments.

Need Help?

Contact your school or district Help Desk with questions about usernames, passwords, and assignments.

Should you need support with EduLastic, please send your questions to support@edulastic.com
